Welcome to Cullen's at the Cottage

*"I drink to make other people more interesting."
-Ernest Hemmingway*

Cullen's at the Cottage has been an iconic landmark of Cong Village for decades. Originally Cong's local cinema, it now stands proudly dedicated to the memory of Peter Cullen – the Maître d' of Ashford Castle for over 35 years.

Within this Beverage List we have chosen the highest quality tipples for you to enjoy. All the drinks tell a tale – one of nature – from seed to stem – from production to bottle – each sip expressing the beauty and nature of its surroundings.

We are here to ensure your comfort & enjoyment. Please let us know if you have any questions regarding our much-loved selection.

Your menu cover is 100% FSC Certified Wood – For every tree felled two more are planted in its place

One of the most exciting additions to our list in recent years is the inclusion of the wines from our winery in South Africa, Bouchard Finlayson, set up in 1989. Collaboration has always been a part of this wine estate, which is today owned by the Tollman family of The Red Carnation Hotel Collection.

Bouchard Finlayson is globally acclaimed for producing the best Pinot Noir in South Africa, as well as exceptional Chardonnays and Sauvignon Blancs. The vineyards are surrounded by an indigenous floral conservancy alive with birdsong and wildflowers and the promise of the unique terroir is harnessed by winemaker Chris Albrecht in slow-ripened, flavour-rich wines of exceptional quality.

SEASONALITY & FORAGING

Lord and Lady Ardilaun's passion for gardens and trees has created one of Ireland's most outstanding and unique botanical displays.

Comprised of 350 acres, Ashford Castle's grounds delight the garden enthusiast and botanist alike with the variety of trees, shrubs and rare plants which assault your senses at every turn of the path and create a kaleidoscope of colour all year round. Towering over the grounds is an outstanding variety of native and imported trees.

The giant Redwoods grow alongside Californian Monterey Pines, Spanish Chestnut and the Bishops Pine. While Lawson and Golden Cypress combine with the fruity scented Western Red Cedar.

An international botanical collection has matured within the Ashford grounds with trees such as the English Yew growing alongside Japanese Cedar and Maples, Algerian Firs, Norwegian Maple, European Larch and Metasequoia (or Dawn Redwood thought to be extinct until 1944).
