## THE APOSTLES BRAAI

## EXPERIENCE A TRADITIONAL SOUTH AFRICAN BRAAI

The Apostles Braai showcases the very best of the South African barbeque tradition. Tender, locally sourced meat is roasted over customary hot coals, bringing together family and friends in the name of good food and good wine. The cultural tradition of braai is something that all South Africans share, and we're proud to present this at The Twelve Apostles, with distinctive ocean and mountain views providing a stunning backdrop. Set amid lush indigenous gardens at the rear of the hotel, this beautiful light filled event venue offers sea and sunset views, with vistas extending up to the rugged peaks in the Table Mountain National Park. It's a striking space of mirrored walls and picture windows that allow natural light and panoramic views to wash in. A handcrafted Murano glass chandelier hangs in the centre of the room and handblown Biot glassware from Provence graces the tables.

*Only available for exclusive use for up to 32 guests. Venue Hire Fee applies.*
