TESTIMONIALS FROM OUR WONDERFUL GUESTS AND CLIENTS

"I just wanted to send a big, heartfelt thank you for all the care, support, and good energy you brought to our event and all the pre-event logistics preparations. You were incredibly supportive, proactive, and truly on top of every little detail—all of it with such kindness and enthusiasm. It really made a huge difference and allowed me to focus on what I needed to do, knowing I was in capable hands. You made things feel easy, and that's no small thing. I felt so held and supported throughout, and I deeply appreciate it. Thank you for being such a joy to work with. I'm really grateful to you."

"Everybody thoroughly enjoyed the evening. It was a nice surprise when walking into the room and being greeted with a flower necklace and a cocktail. They thought the atmosphere was really nice and the space was just for us – The food was amazing and was pleasantly surprised how much food kept coming. The burgers, prawns and some of the veggie items were a big hit with everybody. Complementary to the chiefs. Overall, everybody enjoyed themselves and apparently, it's one of the best summer parties we've had. On behalf of my company, we would like to thank everybody at the hotel who helped on the night to be an epic party"

"I hired The Beach Bar for a special event for 40 people and couldn't have been happier with the experience. From the very beginning, the events team were meticulous in their planning and communication. Every detail was considered, and I felt confident that everything was in expert hands. On the night, the bar staff and the event manager were absolutely brilliant – attentive, professional, and genuinely welcoming. Their calm presence ensured everything ran smoothly and allowed me to enjoy the event completely. The ambiance of the hotel is fantastic – stylish yet relaxed – and every member of staff I encountered was courteous and incredibly helpful. It's clear that customer service is a real priority here."

"I'm writing to express our sincerest thanks for hosting an absolutely fantastic summer party for us! It's rare to hear no complaints, but everyone agreed that the event was amazing from start to finish. Please extend our gratitude to your entire staff. Every single person was incredibly helpful and friendly, contributing to such a positive atmosphere. A special thank you goes out to Sonia and Everett for their outstanding organization throughout the night. We also can't forget the chefs – the food was truly exceptional and a highlight for many. Finally to you both thank you for making the venue look so special on the night and all the organisation leading up to it. Thanks again for a truly memorable and successful event!"

"Thank you so much for hosting our Summer Party, it was a great success and everyone seemed to really enjoy themselves. Your colleagues overseeing the event were incredible, there was nothing they couldn't do for us. I want to say a big thank you to: Everett, Sam, Gonilda, Nelson – Thank you again for everything on Friday, it really was a great event!"

"WOW WOW WOW WOW I mean what an event!! What an absolutely fabulous summer party! I do not have the words to truly say how grateful I am at such a fantastic event, everyone had an amazing time, the feedback has been phenomenal and everyone had so much fun! Despite heavy protestations, everyone had so much fun on the Pedibus! Your team, Piotr, Javinder and, of course, Christian (oh what a lovely human!!) were brilliant, and your support along the day was just perfect. I honestly felt so relaxed and everything went to plan perfectly, the drinks, the food, the venue – just everything was perfect!"

"Just wanted to say a quick thank you for Saturday. It all went really well and the guests really enjoyed. Hope it was all ok on your side. Sam was great so please pass on our thanks to him! Similarly the manager who was with me when we were initially setting up – he was also really helpful and welcoming. We would 100% host another event with you when the time comes."

"We had a lovely day, thank you. All friends and family were really surprised by the beach bar, which was the desired effect! The ops/service staff were so great and accommodating. I felt that everyone was beautifully looked after. I thanked everyone on the day, but please forward my appreciation again."

"I just wanted to say thank you so much for all your help with this event. You and the team have been fabulous, and the event was executed beautifully. It was a rare and wonderful thing for me to actually be able to relax at an event and know that everything was going well and I wasn't needed! Huge thanks and big shout out to Declan and Everett - they were absolutely brilliant, and the event was made better by them being a part of it. Every single staff member who interacted with our team was so friendly and welcoming, my team has only good things to say about everyone! We all had a great time and I'm sure will be talking about this event for a long time, for the beach vibes, the drinks, and the battered prawns- they were the most delicious prawns ever, think I ate at least a dozen."
