COFFEE SELECTION

Our coffee is made using Illy Coffee Dark Roast blend and is served with our Chef’s homemade biscuits & chocolate shards.

|                                                                                                                                  |     |
|----------------------------------------------------------------------------------------------------------------------------------|-----|
| AMERICANO                                                                                                                        | 9   |
| Single shot of espresso with hot water giving it a similar strength to, but different flavour from, traditionally brewed coffee. |     |
| SINGLE/DOUBLE ESPRESSO                                                                                                           | 6/9 |
| A shot of concentrated coffee, made by forcing very hot water at a high pressure through finely-ground coffee beans.             |     |
| CAPPUCCINO                                                                                                                       | 9   |
| A coffee that is made up of a shot of espresso and an even distribution of foamed milk and steamed milk.                         |     |
| LATTE                                                                                                                            | 9   |
| A coffee that is made up of a shot of espresso, steamed milk and a final thin layer of frothed milk on top.                      |     |
| MATCHA LATTE                                                                                                                     | 9   |
| Originating from Japan, matcha is finely blended leaves from green tea plants. This powder is whisked in to steamed milk.        |     |
| FLAT WHITE                                                                                                                       | 9   |
| A coffee with a blend of smooth foamed milk poured over a shot of espresso with a final thin layer of steamed milk.              |     |
| MACCHIATO                                                                                                                        | 9   |
| A coffee that is made up of a shot of espresso and steamed milk only.                                                            |     |
| MOCHA                                                                                                                            | 9   |
| A coffee with a shot of espresso, chocolate and topped with steamed milk and a thin layer of steamed milk.                       |     |
| ICED COFFEE                                                                                                                      | 9   |
| A version of your favourite coffee with ice.                                                                                     |     |
| HOT CHOCOLATE                                                                                                                    | 9   |
| GLASS OF MILK                                                                                                                    | 4   |
| Hot or cold                                                                                                                      |     |
