MAINS FROM THE JOSPER

Our grass-fed certified Angus beef is sourced from Martin Jennings in Ballinrobe and aged for a minimum of 28 days by our Estate Butcher in our inhouse hanging room.
The beef is cooked over charcoal in our Josper Grill which gives our aged meat a unique caramelised exterior that maximises the flavour of the cut.
All our meats are served with Josper Roasted Onion, Wild Mushrooms and Skinny Fries, with your choice of sauce.
