PRIVATE DINING MENU

SPRING/SUMMER 2025

Elevate your next gathering with a bespoke dining experience in one of The Milestone's private spaces, each offering a distinct character, steeped in heritage and styled with quiet opulence. Here, exceptional cuisine, warm hospitality, and artful interiors come together in a setting that reflects the soul of 19th-century London.

Each room tells its own story, adorned with original artwork, rich textures, and historic detail; an invitation to dine surrounded by beauty and legacy.

The Windsor Suite

Designed for refined private dinners and elegant cocktail receptions, this distinguished space features a striking chandelier, open fireplace, and butler's pantry. Flooded with natural light and fully air-conditioned, it balances heritage charm with modern comfort.

The Oratory

Once a private chapel dating back to the 1600s, The Oratory is a deeply atmospheric room ideal for intimate celebrations. Vaulted ceilings, wood panelling, and period detailing create a unique sense of intimacy and occasion.

The Stables Bar

An inviting, eclectic space for drinks receptions, the Stables Bar is adorned with equestrian artefacts and soft, sophisticated furnishings. Paintings by Belgian sporting artist Elie Lambert add character to this lively and elegant room.

Cheneston's Restaurant

The heart of The Milestone, Cheneston's blends rich wood panelling, graceful furnishings, and streams of natural light through original Victorian windows. A timeless backdrop for exceptional dining.

The Park Lounge

Perfect for afternoon teas or canapé receptions, this lounge offers the warmth of a private drawing room. With its open fireplace, plush armchairs, and views across Kensington Gardens, it's a luxurious escape from the city just beyond.

Please advise a member of our service team before ordering if you have any food allergies or special dietary requirements. Prices include VAT at the current standard rate. A service charge of 15% will be added to your final bill.
