## OUR CIGAR RANGE

### HOYO DE MONTERREY

*Founded in 1865 by Jose Gener, produce cigars that are light in flavour and ideal for the connoisseur and beginner alike. The Epicure #2 is a 'Robusto' and is perhaps the best-known size within the brand. The Petit Robusto is a very fashionable vitola (size) because of its heavy ring gauge but relatively short smoking time.*

### MONTECRISTO

*Launched in 1935 and perhaps the best-known Havana, was named after Alexandre Dumas' novel the Count of Montecristo. These cigars are a medium to full flavour. The Edmundo and Petit Edmundo's refer to the main character in the book and the #2 is a 'Piramide' and is one of the top cigars in the world.*

### DAVIDOFF

*Founded in 1911 in Geneva has established themselves as a Global premium cigar brand. Consistency, Quality and Time Beautifully Filled is what you can expect. Swiss Precision meets Caribbean Passion. Cigars produced in the Dominican Republic and represented in a variety of Strengths, Vitolas and blends: Signature, Aniversario, Winston Churchill & Yamasa.*

### PARTAGAS

*Still operating from its original factory since 1845, is a very full flavoured brand. As with all Havanas, the tobacco is grown in the Vuelta Abajo region of Cuba to the west of Havana which has the best climate and soil in which to grow the famous tobaccos. The Series D#4 is a 'Robusto' and the Series P#2 is a 'Piramide'.*
